## Refugee Voices Bulletin

"INTERNEWS is currently implementing the "Refugee Voices: Two-Way Humanitarian Communications" project in Dadaab, Kakuma, and Kalobeyei Integrated Settlement in Kenya, together with FilmAid Kenya, GeoPoll, Star Media Development Centre (owner of Eastleigh-based Star FM and Dadaab-based Radio Gargaar) and Radio Atta Nayece in Kakuma as consortium partners.

"In the Loop" Bulletin is a bi-weekly data-driven humanitarian feedback newsletter produced to inform organizations and local authorities, delivering services to refugees and host communities in Dadaab, Kakuma and Kalobeyei, of community concerns that need urgent response. Internews aims to achieve two-way humanitarian communications for closing possible feedback loops to support the humanitarian community's effort to put the concerns and feedback of the affected populations at the forefront of their service delivery thus enhancing accountability. The Community feedback used in this report is sampled from one-on-one community meetings - with all COVID-19 protocols observed, and other feedback received from the grand finale episode of the weekly live radio call-in show "Sauti Ya Mwanamke" broadcasted by Radio Atta Nayece 90.1 FM in Kakuma.

Internews recorded a total of 30 feedbacks collected between the week of July 15, 2021, to July 31, 2021.
